

Giving Tree

We're Taking Part in #TheOriginalGivingTree!

#TheOriginalGivingTree was created as a fun alternative to the traditional Secret Santa — instead of buying a light-hearted gift for a colleague, you buy a toy for a child or young person fleeing domestic abuse and living in refuge.

These children often receive very little — and in some cases, nothing at all — at Christmas.

Let's take part in this amazing project this Christmas and bring joy to a child who truly needs it!
